## POLICE OFFICERS GATHER GIFTS FOR KIDS

In 2011, Aspinwall Police Officer David Nemec started a program in his community called "Presents From Police." Local residents, businesses and organizations donate and drop off toys for children at the Aspinwall Municipal Building. Officer Nemec coordinates with the proper officials and the toys are taken to Children's Hospital. Nemec, along with many other officers from surrounding municipalities, personally deliver the presents to the hospital and place the gifts under the large Christmas tree in the main lobby atrium. The children patients are assisted by parents, family and hospital staff from their rooms down to the lobby. Officers then meet, talk, and help each child pick out several presents. Some of the children are not physically able to leave their rooms. The officers load up multiple carts and walk the floors to personally deliver gifts to these children.

Since 2011, the program has grown tremendously!! Twenty different law enforcement agencies have joined together for this annual program. This will be the Hampton Police Department's fourth year helping and attending the event.

***If you would like to get involved, presents (do not have to be wrapped) may be dropped off in the "Presents From Police" boxes located at the Hampton Township Community Center, Police Building lobby, as well as the Municipal Building lobby. PRESENTS WILL BE COLLECTED UNTIL WEDNESDAY, DECEMBER 20<sup>TH</sup> AND WILL BE DELIVERED ON THURSDAY, DECEMBER 21<sup>ST</sup>.***

Presents From Police is a certified 501 (c) (3) non-profit organization and all contributions qualify for a charitable tax deduction in accordance with Pennsylvania Law. Checks may be made payable to "Presents From Police" and sent to 840 Grand Avenue, Pittsburgh, PA 15212 (Attention: Officer David Nemec).
