

Dear Hampton Township Resident,

Your community provides a comprehensive solid waste program designed to encourage recycling and waste reduction, reduce litter in our neighborhoods and ensure that waste is disposed of in an environmentally responsible manner. This guide includes various services that are available to residents. Waste Management pledges to provide the high-quality service residents expect and deserve.

Beginning January 6, 2020, Waste Management will be running a new trash and recycling schedule in Hampton Township.

Trash and recycling will still be collected once every week. **There will be a change in service days beginning the week of January 6<sup>th</sup>. Please reference the street listing to identify your service day.** Place material at the curb after 6 p.m. on the prior day or before 6 a.m. on the scheduled collection day.

**IMPORTANT: To ensure residents do not go longer than a week with service, all residents will receive trash and recycle service on Monday, January 6<sup>th</sup>, and again during their new service day that week.**

As a reminder, Waste Management observes the following holidays. When your collection day falls on or after one of these holidays, your service will be delayed one day during that week only.

Memorial Day  
Fourth of July

Labor Day  
Thanksgiving

Christmas Day  
New Year's Day

Yard waste collection will take place on the same day as your new service day. Yard waste such as leaves in biodegradable bags, garden residue, shrubbery trimmings, limbs, twigs, brush & tree trimmings will be collected the 3rd full week of each month from April through November.

No grass clippings will be collected. Grass clippings may be put with your garbage on your garbage day.
