

The Engraved Brick Program

The Hampton Alumni Remembrance Garden Committee invites you to become a permanent part of the Hampton Remembrance Garden. By purchasing an engraved brick, you can support the Hampton Remembrance Garden and provide a lasting memory.

Eventually hundreds of names of Hampton Township School District's graduates and friends will grace the Remembrance Garden walkways.

- ◆ *Names of deceased alumni who embodied the Hampton Township School District tradition.*
- ◆ *Names of alumni who appreciated the education they received at Hampton Schools.*
- ◆ *Names of community members who have made Hampton Township their residence, even though they might not be Hampton alumni.*
- ◆ *Names of current students who work every day to achieve academic and extracurricular success.*

How Does the Program Work?

You make a gift to the Hampton Alumni Remembrance Committee. We will acknowledge your gift by attractively engraving a brick with your message and position it along the walkway in the Hampton Remembrance Garden outside Hampton High School.

How Will the Contributions Be Used?

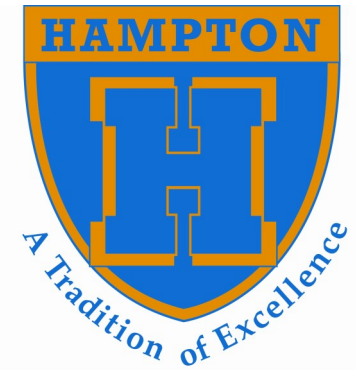

The proceeds from the engraved brick program will directly support the completion and maintenance of the Hampton Remembrance Garden.

Where Will the Bricks Be Placed?

The bricks will be placed in the Hampton Remembrance Garden along the border of the walkway.

The walkway will be seen by thousands of visitors annually. The bricks will be arranged according to the design provided by the contracted installers. Bricks will be placed in the order gifts are received.
