Pre-registration is required for this event to better prepare supplies for the amount of attendees. **The deadline to register for this years parade is Thursday, October 12th.** Please plan accordingly - walk-in registration will no longer be available for this community event.

Due to the ever growing popularity of our family-friendly holiday events, please note that the Community Park will be closed to the general public this day to accommodate for additional traffic and ensure the safety of all of our event guests. Pavilions, sports fields including the soccer fields, and access to the upper orchard will be unavailable until the event concludes. The Community Center parking lots will also be unavailable to use until the event concludes. The Community Center will remain open during this event; however the event will be held outdoors, rain or shine!

**Please note the time change of this event. The event was previously advertised from 1 - 3 pm in the annual Township Community Events postcard mailer.*
