			<b>Total length (ft.)</b>			
			20,015			
			<b>Total length (mi.)</b>			
			3.791			
<b>Totals</b>						<b>\$1,220,867.89</b>

**Notes:**

- All streets to be milled and overlaid with 3.5" of asphalt.
- Quantities are based on GIS mapping.
- Total Costs are based upon 5% inflation per year.
- Proposed roads recommended by Department of Community Services staff.
- Evaluation of annual road program will be decided by the Township of Hampton Council in October and November for the following year.
- Total estimate includes future worth value for traffic control. Traffic Control added in summation of cost estimate.
- Possible joint venture with Allegheny County
