CURRENT SITUATION

ACHD case update status: Today's total is **1,603 (+8)**, which includes **1,517** confirmed and **86** probable cases today, **292 (0)** of which involved hospitalization (past or present). There have been **143 (0)** deaths, **132** are confirmed (had positive test) and **11** are probable. All deaths are of individuals ranging in age from **42-103**, with **84** being the median age of those who have died.

As of March 11, 2020, WHO has declared the novel coronavirus (COVID-19) a pandemic.

The Allegheny County Health Department (ACHD) continues efforts with ACES and other County departments through their Department Operations Center (DOC) to mitigate the impacts of COVID-19.

Allegheny County Health Department:

- Website updates continue daily: <http://alleghenycounty.us/coronavirus>
- Working on engaging the health care plans to conduct follow-up contact on diagnosed cases through their member outreach function.
- ACHD Public Health Laboratory COVID testing capability is online on a small scale, 15 per day. Eventual plan is to build capacity to perform many more tests per day.
- Surveying our MRC members to assess availability and clinical skills.
- Continue participating in Alternate Care Site staffing planning.

Allegheny County Emergency Services:

- Continue to distribute information and supplies as available to public safety and county department partners.

Allegheny County Department of Human Services:

- Continue to update providers and put resource materials and meeting notes/recordings on web.
- Ongoing need for supplies, particularly cleaning supplies and masks/gloves for home visits.
- Developed new website to help emergency recruitment of health and human service workers.
- Expanded health network in shelters through use of telemedicine.
- Translated many of our child-safety/COVID videos into Spanish.
- Watching effects on human services in PA counties that are opening back up. Starting to anticipate needs for Allegheny's re-opening

CRITICAL INFORMATION REQUIREMENTS:

Vulnerable Care Facility Issues:

- The Long-Term Care Facility at St. Barnabas (Richland Twp.) is experiencing multiple residents that are COVID-19 positive. Unknown status of their other facilities on campus.

Critical Infrastructure Issues:

- As of **May 11, 2020**, there are **219** COVID-19 cases are in healthcare workers. This reflects **14%** of the COVID-19 cases in Allegheny County.
- The Port Authority reports that a total of **14** personnel have tested positive for COVID-19, **8** are from the same work area. **1** has recovered and returned to work.

Food/Feeding Program Issues:

- The PA National Guard and PennDOT assignment to the Greater Pittsburgh Food Bank ended on Friday, May 15, 2020.

CLEARED FOR PUBLIC DISSEMINATION

ESSENTIAL ELEMENTS OF INFORMATION:

Anticipated Unmet Needs:

- All sectors anticipate PPE and potential staffing shortfalls. PPE supply chain is improving, currently an average 4-week backlog.
- ACHD: availability of sample collection supplies is a concern.

Known COVID-19 Testing Sites:

- Map with locations is available at: <http://alcogis.maps.arcgis.com/apps/webappviewer/index.html?id=41cf5adf5d4c4ace97b8f0e233a3c143>
 - If you know of a testing site that is not on the map, please contact the DHS EOC liaison or Amy McCarty: Amy.McCarty@Alleghenycounty.us

Reported Absenteeism Causing Disruption:

- None noted

RUMOR CONTROL:

- FEMA COVID-19 Rumor Control webpage: <https://www.fema.gov/coronavirus-rumor-control>
- Allegheny County COVID-19 Rumor Control webpage: <https://www.alleghenycounty.us/Health-Department/Resources/COVID-19/Rumor-Control.aspx>.
- The FBI warns of fraudulent sales solicitation of 3M PPE, or indicators of counterfeit 2M PPE, including N95 respirators.

Municipal EOC's Activated:

- Aleppo - v
- Mt. Lebanon - v
- Penn Hills - s
- Pittsburgh - v
- White Oak - v

ACCOMPLISHMENTS (past 24 hours):

Allegheny County Health Department:

Allegheny County Emergency Services:

- Disinfected the interiors of the vehicles in all ACES divisions.
- ACES-EMA (Asst. Chief Imbarlina and Training & Exercise Coordinator Gerlach), with assistance from PEMA HQ conducted a pilot “virtual” delivery of a G-Series course using Microsoft Teams on May 12, 2020.
- On 5/13/2020, the LEPC held a “virtual” meeting via Microsoft Teams and will plan another update in July.
- On May 15, 2020, ACES and ACHD held two virtual “Town Hall Meetings” for the VOAD and Municipal EMA. Video links:
 - VOAD Meeting: https://youtu.be/1JZ_vengDIA
 - EMA Meeting: <https://youtu.be/5KTIZH0RLdk>

Allegheny County Human Services:

CHALLENGES:

Allegheny County Health Department:

- Continuing to evaluate available data for use in future messaging; obtaining complete demographic information remains challenging.
- Surveying MRC volunteers, at the request of PA DOH, to assist the PA National Guard and HAP at a Beaver County nursing home, Brighton Rehab and Wellness. Very few volunteers have expressed interest.

Allegheny County Emergency Services:

- 9-1-1 call volume has returned to normal as of Friday, May 15, 2020. This increase was foreseen, and 9-1-1 staffing was returned to pre-COVID-19 levels on Friday as well.

Allegheny County Human Services:

- There is a big need in the homeless and housing system for volunteers/temporary help.

PLANNED ACTIVITIES (next 24 to 72 hours):

Allegheny County Health Department:

- Establishing a standard training curriculum for incoming case investigations and contact tracing staff.

Allegheny County Emergency Services:

- Continue working with all parties on securing an alternate care facility in anticipation of a future medical surge.

Allegheny County Human Services:

- Daily provider calls are now Mondays and Thursdays

ADDITIONAL INFORMATION:
