PROCEDURE FOR OBTAINING AN OCCUPANCY PERMIT

The Occupancy Permit will be issued only once all UCC required inspections and zoning requirements have been completed and approved. Please note, final UCC approval will not be granted until the inspector has received proof of approved electrical, plumbing, mechanical, and accessibility inspections. Once you have obtained your UCC final inspection approval please verify that any and all “Conditions of Approval” issued with your permit have been completed. An Occupancy Permit will not be issued if there are outstanding Conditions of Approval.

Once you are ready, please bring your proof of an approved UCC final inspection to the Township permitting office at:

**3101 McCully Road
Allison Park, PA 15101
(412) 486-0400 x 304**

You will then complete the Occupancy Permit application and submit the associated \$100 fee. The Township will process the request and notify you once the Occupancy Permit is ready to pick up.

PLEASE BE AWARE:

The Township Building Inspector is in the office on Mondays, Wednesdays, and Fridays. If, for example, your UCC final inspection occurs on a Monday afternoon, the Permitting Office will not receive the accompanying paperwork until Wednesday morning. For this reason it may not be possible to issue an Occupancy Permit on the spot. Please allow for this when scheduling the opening of your business.

Occupancy Permits will only be issued to the property owner or tenant. Occupancy permits will not be issued to the contractor.

Any questions or concerns regarding this process can be directed to the Permitting Office of
Hampton Township at (412) 486-0400.
