It’s finally safe to say you can put away your snow shovels and start your spring clean up! That is what over 100 volunteers did on April 2. A few photos from the community clean up event are on page 19. Resident input is needed to take a survey which can be found on the website www.hampton-pa.org. More details are on page 18.

The school district section on pages 39-45 is chock-full of information for all readers. Interested in a sneak peek of the new high school Library Media Center? Rendering photos on page 42.

Mark your calendar for upcoming summer activities, including Recycle Rama and Christmas in July on page 26, and the forever popular Community Day celebration on page 18!

Magic Returns For The Hampton Marching Band

by Julie Mikus

With Covid-19 restrictions lifted, the Hampton Marching Band was able to participate in their band trip to Walt Disney World in Orlando, Florida. On Friday, March 18th, the marching band assembled near Cinderella Castle, the main landmark of Disney World’s Magic Kingdom park. The castle was redecorated for the theme park’s 50th anniversary celebration, adding to the excitement for the Hampton high schoolers to be part of such a milestone in the park’s history.

After passing Cinderella Castle, the band made their way down Main Street, U.S.A., which resembles the quaint American small towns of the 20th Century. Quentin Romero-Lauro, a Hampton senior, exclaimed, “It feels like we’re back to normal, like we are rekindling friendships under the cloak of Disney magic!”

Last year, the Disney trip was unfortunately canceled due to the pandemic. Mr. Chad Himmler, Band Director, explains, “Being able to take a trip again feels like a huge relief and blessing at the same time. These trips are so important for the students on many levels and it has been a privilege to see them treasure this moment after waiting thirty-six months for it. The kids did an excellent job in the performance! Seeing them march down Main Street, U.S.A., always gives me goosebumps! It is such a blessing for all of us to experience a band trip again.”

Senior Tatum Stennet echoed Mr. Himmler’s sentiments, adding, “We’re lucky with all the restrictions being lifted in time for us to go.”

The Hampton Marching Band joins a longstanding tradition at Walt Disney World, where marching bands from all over the country showcase their talent, marching with a sense of pride for onlookers, with the incredible pageantry that is displayed as a hallmark of Disney performances.
Mr. Sean Desguin is the assistant marching band director. For him, the trip is extra special, as he taught many of the students since elementary school. “It makes me so proud to see them perform at such a high level. They have been dreaming of marching in Disney since they were ten to eleven years old.”

For many students, there was a profound sense of gratitude as they reflected on the past two years, overshadowed by the Covid-19 crisis. Senior Breckin Himmler said, “It is really nice to get back to normal and just see everybody smile. I have a whole new appreciation for the adventures that life brings because I know how fast they can be taken away.” Brooks Brady, an eleventh grader, added, “I feel like it was a long time coming and I’m grateful to be on a trip with my friends.”

The marching band spent four days in Disney World and one day in nearby Universal Studios. Students enjoyed the sense of freedom to explore the parks, staying in groups of four and checking in with an army of chaperones and volunteers. The students created many magical memories riding new features, such as Star Wars: Rise of the Resistance, located at Disney’s Hollywood Studios.

In addition to the students, band staff, and chaperones, many families attended the Disney festivities, lining Main Street and shouting the names of their high schoolers. “Go Hampton!” could be heard from the crowd, creating a sense of excitement and pride.

Don and Kelly Frank were in attendance to watch their son Brennan, a trombone player for the marching band. Kelly exclaimed, “Watching the Hampton band march down Main Street made me so proud! As the mother of a senior, it was exciting to watch his four-year commitment to marching band end with Disney magic.”
Hampton Recognized as Banner Community for Tenth Time

by Mary-Theresa Watson

For the tenth year in a row, Hampton Township has been recognized as a Banner Community by County Executive Rich Fitzgerald and the Allegheny League of Municipalities (ALOM). Initiated a decade ago, the Banner Community Program recognizes municipalities that distinguish themselves as model communities by demonstrating a commitment to effective, efficient, and accountable government principles. Hampton is one of 80 honorees for 2022 thanks to its dedication to professional development, prudent fiscal management, transparency, accountability, and proactive communications to engage community stakeholders.

ALOM is a nonprofit organization whose mission is to coordinate, advocate, and educate the hundreds of elected officials within its member municipalities in Allegheny County and southwestern PA. In delivering essential resources and advocating for sound policy and legislation, ALOM aims to enhance local government operations.

Eligibility for the program includes a number of requirements, including participation in educational or training programs by elected and appointed officials, participation in a cooperative purchasing program and at least one shared municipal service, and attendance by a representative at county association meetings. In addition, participants must conduct an effective Citizen Communication Program and promote local government or communicate with the community about the delivery of services. Communication outreach must extend to the youth of the community through participation in class discussions about local government or a shadowing program for high school students. The municipalities also must promote and implement long-term, sustainable governing practices by earning certification through Sustainable Pittsburgh, managing employee pensions at funding levels of 90% or above, participate in the ALOM wage and salary survey program, and implement goals of an up-to-date municipal comprehensive plan.

Acknowledging Hampton’s ten-year streak of recognition as a Banner Community, Township Municipal Manager W. Christopher Lochner proudly stated, “For those of us who have the privilege to live in Hampton, this honor is no surprise. Hampton is a special community and one of the best kept secrets in Pittsburgh’s North Hills. It is an honor to be recognized by the Allegheny League of Municipalities and County Executive Fitzgerald.”

Recently, Hampton Township Council Member Dr. Joseph Dougherty echoed Lochner’s sentiment. Dr. Dougherty, who serves as the Council liaison with ALOM, said, “Hampton’s Banner Community status (Continued on page 2)

Sandra Burns feels fortunate to live in the township where so many amenities are readily accessible to the senior community. “The staff is always helpful and friendly where I participate in the weekly yoga classes at the community center.”

is formal recognition of what Hampton residents already know. Our township’s employees, management, my fellow elected officials, and the citizens-at-large have no agenda other than the continued betterment of our community. It is why my parents raised us here, and it is why I am raising my own family here.”

Honorees were recognized at ALOM’s Annual Spring Educational Conference in early April when members gathered at Seven Springs Mountain Resort for their marquee event. Attendees enjoyed networking receptions, panel discussions, and even entertainment by NYNY Dueling Pianos at the closing banquet. Educational sessions covered a variety of governmental topics ranging from the economic impact of the COVID-19 pandemic and resources for municipal police to money-saving pavement programs and planning strategies for grant applications.

Haytock Earns Eagle Scout Status

Benjamin Haytock of Hampton earned Boy Scouts’ highest rank when he successfully completed the Eagle Scout Board of Review on March 2, 2022. The son of Dawson and Kim Haytock, Benjamin led a team of youth and adult volunteers in constructing and installing an outdoor worship area at North Park Church. The worship area in the rear of the church consists of several benches, a speaker’s platform, a fire ring and a stage where the church’s youth group can access it as an alternate meeting area. Additionally, the space can be used for a variety of outdoor activities and even weddings. Haytock repurposed an area where a rope course had once been. The clean-up and rebuilding the area into a beautiful outdoor worship area consisted of an extensive amount of labor, all led by Haytock.

One of the highlights of his scouting journey was a trip to Philmont Scout Reservation in New Mexico. “I loved going on the trip to Philmont,” Haytock said. “Backpacking in the mountains and having the opportunity to apply everything that I have learned in scouts, like outdoor living and showing leadership.”

A junior at Hampton High School, Haytock is unsure of his plans after graduation next year. That said, he feels led to the sciences such as biology and physics, as well as his love for the outdoors. He credits his time in scouting as a member of Troop 17 in the Japeechen District for his attraction to those interests as well as his leadership abilities.

Getting a young person involved in scouting is as simple as logging on to beascout.scouting.org.

School Board Recognizes Art Students

Several Hampton High School students took part in Scholastic’s longest running, most prestigious recognition program for creative teens. Teens in grades 7-12 were able to compete both nationally and regionally in 28 categories, including originality, technical skill, and emergence of a personal voice or vision, in art and writing.

There were 13 winning submissions from Hampton Township school students. Five students won honorable mention and 8 students won awards. The award winners are Anna Cutuli, Camryn Ferderbar, Madison Hurst, Fannie Ketler, Sierra Linke-Kohan, Paula Ott, Katie Pham, and Ben Mikus. The students were recognized at a recent school board meeting. Since their artwork was on display at the art gallery show at Seneca Valley High School, school board vice-president, Jill Hamlin, asked the students to bring their pieces to a board meeting to share with the board and community. Ben Mikus and another Hampton High School student, Marisa Vizzoca, will have their artwork featured at the Ketchup City Gallery at 612 Main Street in Sharpsburg on Saturday, May 21.

Opening Day for HAA

Unlike the MLB, opening day for Hampton Athletic Association (HAA) started right on time! Ball players and coaches were eager to get on the fields even though there weren’t any games scheduled. A parade led by Hampton police and fire trucks kicked off the festivities on Saturday, April 2nd. Teams of all ages followed from the community center to McCully Fields.

Fifth grade student Julia Killmeyer sang *The Star Spangled Banner*. There were a lot of activities for everyone to enjoy including Kona Ice and Rolling Meatballs food trucks. Thanks to all the sponsors and volunteers for making this day possible.
Social Services Arm of HTPD Shines After First Year

by Mary-Theresa Watson

In the summer of 2020, when Slippery Rock University (SRU) social work interns first joined forces with the Hampton Township Police Department (HTPD), they bore the weight of “trailblazers” on their shoulders as part of an exploratory program aimed at adding a layer of expertise to the practice of law enforcement. Where an officer goes in to promote public safety and provide emergency assistance, a social worker can help determine what led to the violation, offer support, and provide ongoing case management to resolve issues and, ideally, prevent future crises. The program was so successful that one of those interns, Angela Kenbok, has since found a permanent home within the department, taking on the role of Social Services Coordinator to provide short-term crisis counseling and social services for cases as needed.

At a recent township council meeting, Angela presented an overview of her first full year on the job, highlighting the program’s success and pointing out the value of multiple disciplinary collaboration for crisis intervention. She is committed to providing high quality social services to all in Hampton, and, as demonstrated in her detailed presentation, she has fully embraced her role and successfully worked with the police department and other local agencies to enhance safety within the community.

During her first year with HTPD, Angela has provided services to 175 individuals or families of Hampton Township, offering a range of interventions from short-term counseling and referrals to on-site case management and follow-up services. She has been called on for cases involving abuse, domestic violence, death, assistance to the elderly, hoarding, harassment, homelessness, juveniles, medical issues, mental health issues, prostitution, substance abuse, suicide, threats, victim support, and welfare checks. Angela also has established support programs specifically addressing substance abuse, juvenile services, and mental health, and in addition to providing ongoing supervision, training, and oversight of SRU interns with the HTPD, she trains interns for the Millvale and Greenville police departments. In addition to her own case load, Angela has worked with her interns on an additional 70 cases involving both juveniles and adults.

“I am so thankful for the opportunity to create such a needed position,” Angela shares. “Being able to build rapport and collaborations to better support the needs of the community is something I take pride in doing every day. I am looking forward to watching the position expand to other police departments and benefiting many more communities.”

Having demonstrated the value of a solid partnership between law enforcement and social workers, Angela aims to further advance the program by continuing established successes while exploring and remaining open to any additional needs for the department and the township as a whole. As she advances her mission of providing therapeutic services to the entire Hampton community, Angela will continue to connect with residents at local events, expand services and collaborations, and work closely with the interns who follow the path she helped create.

Inclusion in Sports

by Jackie Smith

When the Hampton Talbots Unified Bocce team steps on the court, you feel a sense of camaraderie, sportsmanship, and friendship. These are just a few of the benefits of participating on the team. Unified Bocce is sponsored by Special Olympics, and combines people with and without disabilities on sports teams for training and competition. Hampton High School has offered the program for five years now.

“Why do we have 2 teams with 16 total players,” second year coach Addeline (Addie) Devlin said. Ms. Devlin is a paraeducator at Hampton High School, and she works in the Special Education Department. Addie heard about the opening for a bocce coach, and “didn’t want to pass up an opportunity to work with such a great group of students.”

Bocce Ball, as it is formally known, originated in ancient Rome in 5200 BC and is still being played today. According to Special Olympics, next to soccer and golf, bocce is a sport with the third highest participation in the world.

Bocce is played on any level surface by anyone who is willing to try. It is a game for all ages, genders and athletic ability. Second year participant Adanna Smith stated, “I love playing Bocce. I have learned so much. This year, I’m kneeling down to throw the ball, and I get better aim. I think I could teach others to play.”

Hampton High School also has a Best Buddies Program which encourages one-on-one friendships between individuals with and without disabilities. At the last Best Buddies meeting, posters were made to hang throughout the gym during the bocce matches. Special posters were also made for Sydney Loebig and Liam Wallace in honor of their senior years.

Senior Sydney Loebig is joined on the team by her sister, Laynie, a junior this year. Sydney is the team captain, and although she said she will miss playing bocce next year, “I am glad I got to be captain for my senior year; I will definitely come back to cheer for my sister and friends.” For the past two years, both Sydney and Laynie have enjoyed playing bocce and cheering together. When Laynie joined the bocce team, she said, “I felt the group was so welcoming and non-judgmental. We have a great time joking and laughing together. It is a non-stress activity that is so much fun; I look forward to playing again next year.”

Although the goal of playing any sport is to win games, what happens on the Talbot bocce court is about so much more than winning. According to Coach Devlin, “It’s truly amazing what can happen when a team comes together and completely supports one another! It is so rewarding for everyone.”
The Township has to make concessions like this based on what the courts have decided. For example, did you know that the Township has to allow peddling and soliciting as late as 9:00 pm. This is not a unique situation. More often than you might expect, the Township has to make concessions like this based on what the courts have decided. For example, did you know that the Township is not permitted to prohibit any type of business from operating within the boundaries of the Township? The Township can regulate where such businesses might be permitted to operate, based on zoning, but cannot ban them.

In this case, however, if you don’t want door-to-door salespeople stopping at your house, there is something that you can do. The Township has a “no soliciting list” that any household or business can join. That list is provided to anyone who obtains a solicitor’s permit in the Township, which is required for most people who are selling or seeking donations door-to-door. Any homes and businesses on the list should be skipped. You can join the “no soliciting list” via Township’s website (https://www.hampton-pa.org/formcenter/police-forms-5/add-me-to-the-no-solicitation-list-362) or by calling the Police Department at 412-486-0400.

All meetings begin at 7:30pm in the Great Room of the Hampton Community Center located at 3101 McCully Road. If persons with a disability wish to attend these meetings and require auxiliary aid, service or other accommodations to participate, please contact the township office at 412.486.0400 at least seven (7) days prior to the meeting date. The public is welcome and encouraged to attend all meetings.
Members Making a Difference

Hampton Township Rotary Club volunteers recently made a difference in their communities. Rotary members purchased $8,000 worth of milk, eggs, butter and cheese, donating the food to North Hills Community Outreach (NHCO). With sites in Allison Park, Millvale and Bellevue, NHCO serves 300 families per month.

Dana Pietrzak, a Hampton Rotarian, and son, Evan, shopped and delivered the food items. “Rotary sponsors service projects worldwide, but this project opened my eyes to a need right in the neighborhood,” Dana said. The mom and son were surprised by the encouragement they received at their local Aldi. Evan added, “It feels good to know I was able to help in the community, but the support we received...motivated us to do a repeat shopping trip the following week.”

Rotary president and attorney, Hal English, helped unload the donations. “Hampton Rotary members are glad to help others in the community during difficult times in their lives. Helping supplement NHCO Food Bank staple items with eggs, butter, milk and cheese for families seemed like a project in our area that we could do in the winter months after the Christmas holidays when the need by many still exists,” Hal said.

Food insecurity impacts people who lack access to enough food to live a healthy life. Kelly King of NHCO said, “Food insecurity impacts people of all ages and backgrounds.” She further explained that inflation and the price of gas are making it difficult for people to buy basic staples.

“People are often surprised there are food insecure people in the suburbs,” Kelly added. Food insecurity impacts 1 in 7 people in Allegheny County. To learn more about items needed at NHCO, visit www.nhco.org/wish-list.

17th Annual Hampton Township Rotary Club Firecracker 5K
A great family event with a challenging course at Hampton Community Park!
Come join the fun!
Funds from this event support various educational and charitable activities sponsored by the Hampton Rotary Club.
What a year it’s been! Here’s a look at some of the things we did in 2021!

We circulated a total of 154,744 items; out of that circulation 105,550 were tangible items; books, DVD’s, games, book on CD’s, etc. We did 118 virtual programs with over 5,000 views.

In the summer, over 1,300 adults and children attended the 73 programs we planned and we have even more planned this summer. This summer we will be exploring Oceans of Possibilities with our summer reading programs!

Babies through adults can join in the fun! There will be prizes and programs for everyone!

Registration begins June 1, 2022. It’s simple: read books, get raffle tickets, win prizes! To help encourage children and young adults to read, we will also be offering a variety of programming related to the summer theme. We will have traditional storytimes with our new friend Miss Jess, Dance Party with Miss Suzy, a Books and Lunch program, books clubs, chess clubs and more! Look for more details in early June.

The fun continued with the return of Hampton Community Library’s Trivia Night in March. Thank you to everyone who came out and supported the library that night and thank you to all who support us throughout the year!

PA State Representative Lori Mizgorski
Serving PA’s 30th Legislative District

It has been an honor and a privilege to serve as your State Representative for the past three and a half years. I am proud to continue to represent the communities where I have lived, worked, volunteered, and raised my family.

Every 10 years, in conjunction with the U.S. Census, the boundaries for U.S. Congress and the PA House and Senate are redrawn based on shifts in population to meet the “one person, one vote” principle. While congressional maps are developed following the traditional legislative process, the Legislative Reapportionment Commission (LRC) is tasked with approving legislative maps for the PA House and Senate.

The LRC is made up of the majority and minority leaders of the House and Senate, and an appointed chairperson. Meetings were held throughout 2021 and culminated with the release of preliminary maps in December. There was a public comment period before the vote on final maps. On February 4, the LRC voted 4-1 to approve new legislative maps for the PA House and Senate. Appeals to the maps were filed in court; however, on March 16th the PA Supreme Court ruled in favor of using the LRC approved maps for the General Assembly.

Currently, the 30th Legislative District includes the entirety of Hampton and Richland Townships, the Borough of Fox Chapel, most of Shaler Township and part of O’Hara Township. In the LRC approved map, the 30th district is moved and divided into four new legislative districts. With these changes, you will have new representation in the PA House next year. While who will represent you in 2023 is undecided, please know that I and my district office staff are committed to serving everyone in the current 30th legislative district through the end of the session on Nov. 30, 2022. My efforts to advocate in Harrisburg on your behalf, and my work on the many projects I have already started, will continue even as my time in the PA House comes to an end. I am grateful for the time I have served, and I look forward to new opportunities in the future.

Community Day Schedule Set

This year’s Township Community Day celebration will be held on Sunday, July 3rd in Hampton Community Park. This is a return to the traditional date of community day which was altered last year because of COVID-19 concerns.

As in past years, there will be plenty of children’s games and activities, the outdoor pool will be opened free to the public from noon to 4 pm, and community booths will be present. This year’s entertainment will be provided by No Bad JuJu and the Ultimate Eagles Tribute Band, Desperado.

Desperado has become one of the best and most well-known Eagles tribute bands in the United States. Based in Pittsburgh, they boast a lineup of five lead singers and multiple instrumentalists, which not only possesses and rivals the musical talents of the actual Eagles but have also been used to play with members of the Rock and Roll Hall of Fame band itself. Desperado is a “Must Hear” for Eagles fans and concert goers. They have been known to bring it all to you and have been met with the following praises and more from critics and contemporaries: “You guys play Hotel California like you wrote the song.”

The evening will conclude with a fabulous fireworks show from Pyrotecnico Fireworks at approximately 9:30 pm. Plan to come and spend the day at Hampton Community Park on July 3rd to enjoy this year’s Community Day celebration.

Community Park and Open Space Master Plan Update Underway

An update of the Township Community Park and Open Space Master Plan is now underway. The Steering Committee overseeing this endeavor is chaired by Township Council Members Julie Fritsch and Joseph Dougherty. This Committee is comprised of resident stakeholders such a members of the Township’s athletic associations, the Hampton School District, the Environmental Advisory Council, the Planning Commission, Hampton High School Students and users of the Community Park as well as Community Center. The Committee has already begun its work and hopes to have a survey available for resident input at community events this summer. An electronic version of this survey will also be made available through a link that can be found on the Township website.

Annual Golf Outing Fundraiser
Sponsored by
Hampton Community Association (HCA) and Hampton Shaler Water Authority (HSWA)
Friday, June 24th, 2022
Golf and Sponsors Needed

The Hampton Community Association (HCA exists to support Hampton and its residents in the establishment, maintenance and improvements of parks, recreational and cultural facilities for the benefit of the Hampton Community) and the Hampton Shaler Water Authority will be holding their Annual Golf Outing on Friday, June 24th, 2022 at the Pittsburgh North Golf Club. Current fundraising efforts are going towards a Gulf War Veterans Memorial Plaque for the Veterans Memorial Court as well as accessory equipment (benches and possibly outdoor fitness equipment) to be located along the loop trail that is currently in Phase 2 of construction. An invitation to this event can be found on the Township’s website at www hampton-pa.org/2022golfouting. They are again actively looking for individual and corporate sponsorships. Your contribution as a golfer, sponsor and/or donor would be greatly appreciated.

Township Yard Waste Collection Program

Yard Waste will be picked up on a monthly basis, through November 26th, the third full week of each month, on the same day as your trash and recycling.

Items included are: Leaves, garden residue (no dirt attached) in paper biodegradable bags, shrubbery, limbs, twigs, brush and tree trimmings cut in 4’ length, no larger than 3” diameter, no greater than 40 pounds securely tied and bundled. NO GRASS CLIPPINGS. Grass clippings may be put with your regular garbage on your garbage day.
THANK YOU to over 100 volunteers!

SUMMER HOURS OF OPERATION

Dates: May 29th - September 5th
Sunday: **CLOSED**
Monday - Friday: 6:00 am - 8:00 pm
Saturday: 8:00 am - 4:00 pm

*Hours are subject to change without notice.*
*Hours may be adjusted due to holidays.*
*Administrative hours are 8:00 am - 5:00 pm; Monday - Friday.*

INDOOR TRACK

The three-lane walking and jogging track is open during normal Community Center hours unless otherwise posted. Thirteen laps around the track equals one mile. Appropriate footwear is required while using the track. Please follow the direction signs located above the track area.

Use of the indoor track is included with your Community Center or Fitness membership. If you do not have a current membership and would like to use the track a daily guest fee of $6 can be paid at the Service Desk.

COMMUNITY CENTER FOOD MARKET

A self-serve, self-pay food market is located on the lower level of the Hampton Community Center! Patrons can enjoy a vast assortment of beverages; both hot and cold, as well as a great variety of snacks and food items. Enjoy a light healthy snack to wind down after your workout or a fresh espresso to start off your day! It’s a great option for an after school snack spot for children using the basketball courts or the perfect breakfast place before going to the Library for story time.

Food items will be replenished weekly so all items are guaranteed to be fresh! The market is a self-pay area which is monitored closely by cameras. Simply select the items you desire to purchase and scan them at the pay station as you would at any other self-check-out kiosk. After your payment has been processed your transaction is complete. Payments accepted include credit or debit card and VIBE cards (which can be picked up at the Community Center Service Desk).

FARMLER’S MARKET

The Township of Hampton will once again host a Farmer’s Market in the Community Park. The Farmer’s Market is a weekly event that takes place on Wednesdays from 3 - 7 pm beginning June 1st and concluding on October 12th. We are excited to be able to bring fresh produce, homemade goods, fresh bread, jams, jellies, honey and much more to our residents and guests!

We would like to thank all of our vendors who have participated in our market. Without your dedication each week our market would not be as successful as it is!

Looking to become a vendor for this year’s market? Interested vendors should contact Bill Ryder at 412-487-7870 ext. 1316 or at Bill.Ryder@hampton-pa.org

Farmer’s Market Vendor Application Forms are available at the Community Center Service Desk and on our Township website at www.hampton-pa.org.

We look forward to seeing you all in the summer! Please continue to visit our website and follow us on Facebook for updated information regarding the Farmer’s Market!

MEMBER APPRECIATION DAY
AT THE OUTDOOR POOL

We would like to say THANK YOU to our loyal pool members on Wednesday, July 13th, by having our very first Member Appreciation Day!

The fun begins when you enter the pool for the day! Any person who has a valid 2022 pool membership will be entered to win a FREE POOL MEMBERSHIP for the 2023 pool season! In addition to our membership raffle we will have DJ Rick Wirth on-site providing music for all from 4 - 6 pm as well as a very special visitor for the little ones! Bluey, the popular tv dog character, will be at the Outdoor Pool from 4 - 6 pm for photo opportunities with her biggest fans! Food Trucks will also be located at the side pool parking lot from 3 - 7 pm this day!

Admission is free with a valid 2022 pool membership. Regular pool daily admission fees apply for all daily guests.

DOG SWIM DAY

Join us for Dog Swim Day at the Hampton Community Pool!

On Saturday, September 10, 2022 the Outdoor Pool Complex will open its gates for pool members’ furry friends to show off their best "doggie paddle".

Two separate sessions will be available this day; Session 1 will be from 12:00 - 1:30 pm and Session 2 will be from 1:45 - 3:15 pm.

When registering please register for one session only. This event is for 2022 pool members only; there is no fee to register.

Please note: Proof of current rabies and distemper shots are required to be shown at check-in this day. No exceptions.

Pre-registration is required for each puppy participant; registration will not be available the day of the event.

During this time the pool is open for dog swimming only; humans of all ages are asked to refrain from swimming or wading in the pool this day.

CHRISTMAS IN JULY

Mark your calendars for Wednesday, July 27th for our annual Christmas in July event at the Outdoor Pool Complex! Festive fun includes the snowball toss at the pool and Food Trucks located at the side pool parking lot from 3 - 7 pm.

Please be sure to monitor our Facebook and website for additional information regarding this year’s event!

**PRIVATE SWIM LESSONS (310407)**

Private swim lessons are five one-hour sessions of private instruction scheduled on an individual basis based off of the student and instructors schedules. Classes can be scheduled Sunday - Saturday between the hours of 11:00 am and 7:00 pm. Maximum enrollment of 10. Minimum age is 5 yrs. old. Registration can be done online or in person at the Community Center. Private swim lesson fee is $128 / $176.
SUMMER PROGRAMS

SUMMER PLAY CAMP (311101)
The Summer Play Camp Program includes arts & crafts, afternoon swimming, daily organized sports games and special events. Morning and afternoon snacks are provided daily and included in the cost of camp. Detailed program information including daily schedules, program policies, as well as enrollment forms are available at the Community Center Service Desk as of April 1st. Resident registration begins April 1st and Non-Resident registration begins May 1st. All program enrollments must be done in person and all enrollment forms must be filled out in entirety and be accompanied by the required enrollment fee.

**The Hampton Township Summer Play Camp program will be following all state and county orders, rules and regulations in effect at the time the program will run.**

PROGRAM REGISTRATION INFORMATION
Enrolling your child for the program will guarantee your child a place in the program. However, it is required that you register your child ahead of time for each week that they will attend the Play Camp program. Please keep in mind you will not be able to register your child for weekly attendance until you have turned in all enrollment forms and enrollment fee at the Community Center. Weekly registrations for Play Camp will require your full weekly payment to be made at time of registration. For your convenience you can register your child online or in person for the weeks that you wish to attend Play Camp. It is the participant’s responsibility to register for the correct weeks of Play Camp. Weekly registrations must be done at least 5 DAYS PRIOR to the start of the week you wish to attend. Play Camp will not accept participants until they are registered and paid in full for the weeks they are attending.

POOL MEMBERSHIP REQUIREMENT
Play Camp participants are required to purchase a pool membership for the Outdoor Pool since we do go to the pool every afternoon. Please visit our website at www.hampton-pa.org to obtain a pool membership. Pool memberships must be purchased PRIOR to your child attending Play Camp. Proof of membership may be required at initial drop off to Play Camp.

Participants only pay for the weeks that they register their child for. The week of July 4th will be pro-rated due to Play Camp only being available four days that week. Payment is based off the number of children per family as well as residency.

HAMPTON HIGHLIGHTS
The main Fitness Area is located on the upper level of the Community Center as well as a smaller room, with cardio equipment, that is on the main level of the center. This area is open during regular Community Center hours unless otherwise posted. Currently there are twenty-one pieces of fitness equipment available; eleven cardio and ten weight training pieces including free weights with varying weights.

The Fitness Area does not have direct supervision. The on-duty Facility Manager will provide routine monitoring. However, if at any time you should have any questions, or require assistance, do not hesitate to speak with the Service Desk staff.

For the health and safety of our patrons, two Automatic Electric Defibrillator (AED) Units are located in the Community Center. Should a circumstance ever arise that these life sustaining devices need use, they can only be used by a trained Community Center staff member or patron.

Fitness Members should scan their membership ID card at the service desk upon entering the center.

Dear Hampton Township Community,

It is my pleasure to be writing to you as our school community embraces the spring season—a time that symbolizes new beginnings, growth, and exciting opportunities.

As you know, in late February, the CDC adjusted its masking guidelines which significantly reduced the circumstances under which the public was advised to mask indoors. After thoughtful consideration of many factors — including falling Covid-19 cases in Allegheny County and reduced case count in all our schools — the District quickly responded to the CDC’s changes and revised its Health and Safety Plan to allow for optional masking under the current conditions.

I commend the entire Hampton school community’s response to not only these changes, but to all of the health and safety protocols that we have followed throughout this school year which have allowed us to safely maintain full in-person instruction for our students. Now, we are at a point where the conditions are looking more positive, and the District can once again look forward to hosting an array of traditional spring events safely and comfortably.

At the time of my writing this letter, the Hampton High School Student Council is busy preparing for Talbot Thon, a fundraiser event that raises money for the Children’s Hospital of Pittsburgh Foundation. Talbot Thon is truly an event that represents what it means to be a Hampton student—determined, selfless, and creative.

In this issue, you will read about Hampton High School’s spring musical, “Into the Woods.” The students are thrilled to be performing this show, and I cannot wait to see their talents brought to life on stage.

Hampton Middle School in March hosted the PMEA District 1 Elementary Band Fest — Allegheny West. This honors band concert featured over 100 fifth and sixth graders from elementary and middle schools in the western half of Allegheny County, including 11 of our very own Hampton students.

Also, I was delighted that the Hampton High School Marching Band was finally able to perform at Walt Disney World Resort’s Magic Kingdom in Orlando, Florida, after two of the band’s previously planned trips to Disney World were canceled due to the pandemic.

Since the last issue, Hampton Middle School was honored at the annual Pennsylvania Association of Middle Level Education (PAMELE) conference, receiving the prestigious PA Don Eichhorn Schools: “School to Watch” award. This re-designation as a “School to Watch” confirms the Tradition of Excellence that defines our entire school community.

Lastly, I would like to congratulate the Hampton boys swimming and diving team on their phenomenal achievement of winning the WPIAL Class 2A championship for a second consecutive year. The team also had many brilliant individual performances, including senior Will Retsch who finished the season as a state champion.

There are many exciting events and opportunities ongoing at Hampton Township School District this spring, and I cannot wait to witness Talbot Pride on full display!

Sincerely,
Dr. Michael Loughead
Superintendent of Schools
Hampton Boys Soccer Team Honored in Harrisburg

Talbots were celebrating on November 20, 2021, as the boys soccer team captured the PIAA Class 3A Championship by defeating Archbishop Wood 1-0 in the state title game. On their way home, they traveled through Harrisburg, our state capital.

Just a few months later on February 9, 2022, the team returned to Pennsylvania’s capital to be recognized and honored during sessions of the Pennsylvania House of Representatives and State Senate.

Players and coaches also met with Representative Lori Mizgorski (30th Legislative District) and Senator Lindsey Williams (38th Senatorial District) during their visit, each receiving special citations for their state-title-winning accomplishment. This prestigious recognition marked the first time in school history that a Hampton athletics team was honored in Harrisburg.

“What a great honor and experience for our boys soccer team to visit the Capitol in Harrisburg,” said HTSD Athletic Director Bill Cardone. “To be honored in front of the House and Senate was truly something special that not many people get to experience. I think this is something that our players, coaches, and administrators will always look back on and remember.”

The team was also provided with lunch and a tour of the Pennsylvania State Capitol Complex.

“I would also like to thank Senator Williams and Representative Mizgorski and their team for taking time out of their day to meet with our boys soccer team,” Mr. Cardone said. “Thanks also to Lt. Governor John Fetterman for allowing us to tour his office.”

“It was really awesome to see things in the Capitol that many of the population in Pennsylvania will never see. It was also an honor to be recognized by people in the government for our success on the field.”

— Thomas Bradfield, senior captain

“It was a very memorable experience, and it was a great honor to be able to hear our team and school be honored in the capital of our state.”

— Dylan Beranek, senior captain
HTSD Odyssey of the Mind Promotes Collaboration, Creative Problem Solving

A group of enthusiastic elementary and middle school students from Hampton attended a HTSD Board of School Directors meeting in March to share their experiences with the HTSD Odyssey of the Mind program.

HTSD Odyssey of the Mind program is currently in its ninth year at Hampton. The program is a team-based, creative problem-solving activity that is centered around STEAM topics, relying on teamwork and ingenuity. The organization, which is an affiliated organization at Hampton, is run by parent volunteers.

During the presentation, students showcased their projects with Board members and administrators. Mrs. Colleen Turcsanyi, President and Coach of Odyssey of the Mind, also presented a video about Odyssey of the Mind, recognizing the success of teams from last year and this year.

Odyssey of the Mind began in Hampton during the 2013-2014 school year, and since then, over 50 teams from Hampton have participated from all three elementary schools and Hampton Middle School.

Teams of up to seven students work together to solve two types of problems using their creativity and ingenuity: “Spontaneous Problems” and “Long-Term Problems.” Teams pick from one of six predetermined problems: vehicle, technical, classics, structure, performance, or primary.

Six HTSD teams competed in the Odyssey of the Mind Western Pennsylvania Regional Tournament at Keystone Oaks Middle School/High School in March. The students in grades K-8 solved long-term and spontaneous problems and presented their solutions in a creative performance at the tournament, with two teams advancing to the state finals.

A Wyland Elementary team in the balsa structure building problem category placed third in their division, and a Hampton Middle School balsa structure building team placed first in their division. Both teams represented the Hampton Township School District at the Odyssey of the Mind state tournament.

A seventh combined elementary school team participated in a virtual world tournament on March 13-18.

“The amount of success that Odyssey of the Mind has seen over the years is a tribute to both the students and parents involved in the program,” said Dr. Michael Loughead, Superintendent of Schools. “The program benefits not only the students, but the community and schools as it promotes the sharing of ideas and collaboration.”

The Wyland team included fifth graders Andrew Allen, Ella Gan-non Lavigne, Jack Leyenaar, Will Marcus, Nicholas Radomski, Simon Troup, and Brecken Turcsanyi. The Hampton Middle School team included seventh graders Olivia Dietz, Ashlee Marte, and Luciano Santos, and 8th graders Jared Brinzer, Braden Krysinski, Ashley Rothenberg, and Teagan Turcsanyi.

New Library Media Center to be ‘Academic Hub’ of HHS

When structural steel arrived on site at Hampton High School in February, it marked a significant milestone in the highly anticipated high school renovation project that began at the start of the 2021-2022 school year. The steel beams being erected will soon house the high school’s brand-new innovative Library Media Center.

Dr. Marguerite Imbarlina, HHS Principal, said she is excited for the new space, which includes a Conceptual Thinking Lab. This space includes a multitude of whiteboards and flexible furniture that encourages creative problem solving. Adjacent small group rooms that line the library will allow students to collaborate on projects with their peers, and the Flex Studio will provide classroom, student, and meeting space for various user groups.

In addition to the Library Media Center, the project will also add a café for students, a hallway to alleviate student congestion, a new technology services area for the school district, and a dedicated yearbook room that has modern functionality.

“The new Library Media Center will provide students with a modern space to complete research and collaborate with their peers,” Dr. Imbarlina said. “It will also serve as the academic hub of the building as it is located in the center of the academic wing where the outdoor courtyard is presently.”

Phase I of the construction project, slated to wrap up in December 2022, also includes new roofing, a secondary entrance, improved traffic flow around the building, expanded parking, updated signage, and enhanced outdoor lighting.

Interview with the Student Council President, Nicole Fortes

The District Dispatch invited Student Council President Nicole Fortes to share the senior perspective on the 2021-2022 school year. Her replies are direct quotes unless in parenthesis.

District Dispatch: How is this school year going for the senior class at Hampton?

Nicole Fortes: I think this year is going a lot better compared to last year because it is more normal, and we are back to five-days-per-week. It’s a little different because of the construction going on right now at the high school. And the start time also is really new to us, but I think a lot of seniors really like it.

DD: You mentioned that Hampton has had five-day-per-week instruction all school year. How has this year compared to last year in terms of being back in the classrooms?

Fortes: I think that it was a bit hard to adjust at first just because we were used to being at home on Zoom all the time. So, it was nice to be able to see everyone’s faces five days a week.
DD: Hampton has excelled in academics, arts, and athletics this year. What have been some of the highlights for you and the senior class?

Fortes: I think for the senior class definitely in the fall it was the football games and everything, that was pretty normal. And seeing our teams do really well in the fall was so exciting.

DD: Like the boys soccer team winning the state championship, and the girls volleyball team finishing as the state runner-up?

Fortes: Yes, there was a group of students who went down to see them in Hershey, so that was pretty cool.

DD: It has been two years since you have been able to hold full-scale events like the Talbot Thon fundraiser event for the Children’s Hospital of Pittsburgh Foundation. What does that planning process look like? Are you looking forward to that event?

Fortes: Last year, we had kind of a smaller Talbot Thon. We didn’t raise as much, but that didn’t take as much planning. This year we kind of had to think back to our freshman year, which was the last time we had a full-scale Talbot Thon, and just kind of work together and find new ways to fundraise and get the school involved after a year of being kind of disconnected.

DD: What are some of the things you’ve been doing to fundraise?

Fortes: We have a 3-on-3 basketball tournament coming up. During the week (of Talbot Thon) we will have spirit week, or bring in a dollar to wear your PJs or hat days. We also have local restaurants that are willing to hold fundraisers.

DD: What is the Student Council’s fundraising goal for Talbot Thon this year?

Fortes: This year it’s $40,000, so the same as our freshman year. But we thought it would be good to keep it at that and see how it goes.

DD: What are you looking forward to most in the rest of the school year?

Fortes: Just seeing normal events that are coming like Prom with the juniors and seniors, our Senior Dinner Dance, and graduation.

DD: What are your post high school plans?

Fortes: Right now, I think I want to study nursing and either go to a school like American, Xavier, or Vermont.

Four Hampton High School seniors have been named finalists in the 2022 National Merit Scholarship Program by the National Merit Scholarship Corporation (NMSC).

Dakota Basista, Brennan Frank, Young Min Oh, and Danielle Sutterlin were among the approximately 15,000 finalists who are competing for some 7,500 National Merit Scholarships worth nearly $30 million.

These finalists entered the 2022 National Merit Scholarship Program by taking the Preliminary SAT/National Merit Scholarship Qualifying Test their junior year, which served as an initial screen of program entrants. The nationwide pool of semifinalists, representing less than one percent of U.S. high school seniors, includes the highest scoring entrants in each state.

To become a finalist, the semifinalist and a high school official must submit a detailed scholarship application, in which they provide information about the semifinalist’s academic record, participation in school and community activities, demonstrated leadership abilities, employment, and honors and awards received. A semifinalist must have an outstanding academic record throughout high school, be endorsed and recommended by a high school official, write an essay, and earn SAT or ACT scores that confirm the student’s earlier performance on the qualifying test.

Merit Scholars are selected based on their skills, accomplishments, and potential for success in rigorous college studies.
An old musical favorite first performed at Hampton High School 14 years ago has been given a rebirth.

Now, current Hampton High School students have been eagerly preparing to perform the musical once again. Mr. Franklin said he has enjoyed directing this musical for a second time.

“I am picking up on things that I never noticed before, these subtle themes that come into play,” Mr. Franklin said.

“Into the Woods” follows the Baker (Kai Suyama) and his wife (Leah McConnell), Cinderella (Marissa Martinoski), and Jack (Brooks Brady). When the Baker and his wife are visited by the neighborhood Witch (Lindsay Liebro), who reveals to them that she placed a curse on their family, the two set off on a journey into the woods to reverse the curse.

“The musical focuses on the classic fairy tales that audiences are largely familiar with,” said Mr. Franklin.

In the musical, the audience meets Little Red Riding Hood (Danielle Butler) who is trying to visit her grandmother, in addition to the Wolf (Andrew Kaehly), the Witch’s daughter Rapunzel (Giulia Maura), and the Princes (Kaehly and Lillian Ketler) who are chasing after their loves.

By the end of Act I, everyone has gotten their wish and will seemingly live happily ever after. But in Act II, when Jack’s beanstalk brings them a visit from an angry Giant, we see how the consequences of their actions haunt them in disastrous ways. The community must come together to save each other and their kingdom, but sacrifices must be made.

“I’m excited to work with this cast because they are really passionate about this musical,” Mr. Franklin said. “When we announced in the fall what show we were doing, they were over the moon about it.”

Two years ago, Hampton High School students were preparing to perform the musical, “The Mystery of Edwin Drood,” when the pandemic hit — causing the performance to be canceled.

“That was a huge blow not only to the program, but to the students’ morale, especially those graduating seniors,” said Mr. Franklin. “Last year we vowed that we would do whatever possible, in the safest way possible, to be able to produce live theater again.”

Last year, the spring musical, “Pippin,” took place in-person during the last two weeks of the school year. When it was announced that this year’s spring musical would be, “Into the Woods,” students were ecstatic.

“They were so excited to get started on it,” Mr. Franklin said.

Mr. Franklin noted that this year’s cast is very dedicated and is constantly trying to improve.

“They bring it every day to rehearsal,” he said. “You would think that each rehearsal is a live performance.”
Hampton Township School District celebrated Read Across America Week from February 28 to March 4, 2022! Over the month of March, students at Central, Poff, and Wyland Elementary participated in a “March Madness” competition. Classes read two books each week and selected which book they liked best to advance to the next round.
This year’s Talbot THON was one for the books! With everything from dodgeball to a pie-eating contest, there was plenty for students to do as they raised money for UPMC Children’s Hospital. After months of preparation, THON arrived, and it was a major success! The night kicked off with 2020 Hampton graduate and current Pitt student Sam Triulzi, a cancer survivor himself, who spoke on the significance of THON. And in the end, it was revealed that over $35,000 was raised!
